

Cliff Gray, Owner/Outfitter – Lic. # 2975
PO Box 5977
Eagle, CO 81631

Phone: (970) 343-4460
Email: cliff@FTGuides.com
FlatTopsWildernessGuides.com

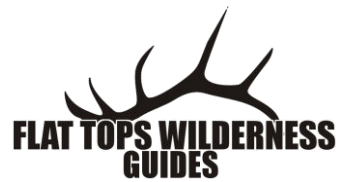

How to Contact Us:

Pack Station: 970-524-7900 – Typically the quickest way to get a hold of us.

Lodge: 970-524-7218

Cliff's Cell: 650-804-5712

Directions:

Our address is 5097 Sweetwater Rd, Gypsum CO, but do not rely on plugging our address into your gps or smart phone. We are at the very end of Sweetwater Rd. while most these devices claim we are just a couple miles from Colorado River Rd.

Reference the attached Google Map for an overview of where we are and how to reach us from the Highway 70 turnoff. At the turn off there is the small town of Dotsero on Hwy 70. To the East, the first town is Gypsum. To the West, the closest town is Glenwood Springs.

Take Exit 133. Head North on Colorado River Rd. for 6.9 miles

Take a left on Sweetwater Rd. Follow the signs to Flat Tops Wilderness Guides and FT Guides. We are just 1.7 miles past the lake.

Follow Sweetwater Rd. for 10 miles from the Colorado River Rd turnoff. Part of the road is graded gravel and part is asphalt. You will be headed north west.

At the 10 miles mark you will arrive at Sweetwater Resort. Right before entering the resort, take a hard right.

Follow the road for 1.7 miles. You will pass several small cabins, stay to your right and continue past them. After the second set of cabins, you will see 4x4 only warnings. We do our best to keep the road plowed and you should be fine even in a two wheel drive vehicle. You will pass a large log home on your right and go over a creek. Fifty feet past the creek you will see our sign on the left on a pipe archway. Stay to your left and continue down to our pack station (a large metal barn and bunkhouse).
